

01. BRAND CONCEPT

Dr. Baker represents the intersection of **scientific precision** and **culinary artistry**. The "Dr." signifies commitment to laboratory-grade quality control, while "Baker" embodies the warmth, aroma, and creativity of a home kitchen.

Brand Pillars

- **Consistency:** Every batch performs exactly like the last.
- **Empowerment:** We provide the tools for chefs to push boundaries.
- **Purity:** Sourcing only the finest cocoa and dairy components.

Tone of Voice

Professional, authoritative, yet inspiring. We speak as a mentor to the professional chef and a reliable guide to the home baker.

02. COLOR PALETTE

Our colors are inspired by the raw materials of the baking trade: deep chocolate, rich cream, and the h
oven.

Dark Cocoa

HEX: #3E2723

CMYK: 50/70/80/70

Pastry Cream

HEX: #F5E6BE

CMYK: 5/10/30/0

Glaze Red

HEX: #C62828

CMYK: 15/100/100/5

Usage Ratio

03. TYPOGRAPHY

Primary Headings: Playfair Display

The Art of Fine Baking

Used for titles, covers, and high-end marketing materials. Evokes elegance and heritage.

Body & Technical: Montserrat

Ingredients: Cocoa Butter, Sugar, Lecithin.

Used for packaging details, body text, and digital interfaces. Ensures maximum legibility.

Photography Style

Images should feature **High Contrast** and **Warm Tones**. Focus on textures: the snap of a chocolate bite, the fluffiness of a sponge cake, or the drip of a ganache glaze.

04. LOGO INTEGRITY

✓ DO

- Use the white logo on dark backgrounds.
- Maintain a minimum clear space of 1cm.
- Scale proportionally.

✗ DON'T

- Stretch or distort the logo.
- Change the brand colors.
- Add drop shadows or glows.

Packaging Strategy

Each product line is color-coded for instant identification on warehouse shelves:

- **Gold Label:** Premium Couverture Chocolate.
- **Silver Label:** Compound Chocolate & Spreads.
- **White Label:** Technical Powders & Mixes.
